We hope you had a great summer! We are so excited to get started with our fall semester. We now have a student handbook on our website under "About," then "General Info" drop down menus. There is also a QR code for the handbook on page 2 of the newsletter. It is full of lots of useful information: our mission, dress code, tuition policies, makeup classes, class and lobby etiquette, and more. Don't forget about our Dancearts custom store. The store website and QR code are also listed on page 2. See you at the studio!

**Reminder-Dance shoes should not be worn outside. It brings dirt into the studio, and ruins the soles .**

## PARKING

For those of you new to Dancearts, parking can be difficult. You can park at any meter, either on the street or in a lot. All meters are now synced and run from 8:00am–6:00pm. There is a parkmobile app you can download and pay your meter through the app for a small fee. After 6:00 you may park in the bus lot or church lot, however not in the few spots facing the church that have signs saying only church leasees. YOUR CAR WILL BE TOWED if you park in these reserved spaces.
